FOR STATE OFFICES

SUBJECT: INFORMATION No.53

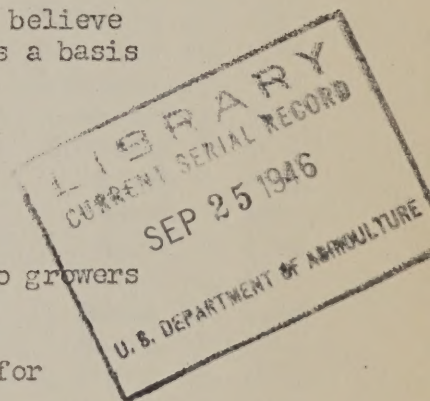

Re: "Facts on 1946 Potato Loan Program"

In support of the 1946 potato loan program we are sending you a supply of "Facts on 1946 Potato Loan Program" -- a FACT SHEET.

It is urged that you distribute this to all county committees.

In those counties where the program will be operative we believe county committees should be urged to use this material as a basis for one or more of the following:

1. Press releases to local papers.
2. Radio announcements or script interviews.
3. Duplicate this fact sheet and send to all potato growers with covering letter on local operation.
4. Items in State and county office "newsletters" for committeemen.
5. "Questions and Answers" for use by committeemen or distribution to growers.
